PROXY STATEMENT

**For the 2021 Annual Meeting of Stockholders to Be Held on
June 1, 2021**

This Proxy Statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Drive Shack Inc., a Maryland corporation, for use at the Annual Meeting to be held on June 1, 2021 and any adjournments or postponements thereof. “We,” “our,” “us,” the “company” and “Drive Shack” each refers to Drive Shack Inc. The mailing address of our executive office is 10670 N. Central Expressway, Suite 700, Dallas, TX 75231. This Proxy Statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share, which we refer to in this Proxy Statement as the “common stock,” on or about June 1, 2021.

At the date hereof, management has no knowledge of any business that will be presented for consideration at the Annual Meeting and which would be required to be set forth in this Proxy Statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the Annual Meeting for consideration, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matter.

Matters to be considered at the Annual Meeting

At the Annual Meeting, stockholders of the company’s common stock will vote upon:

- (i) a proposal to elect two Class I directors to serve until the 2024 annual meeting of stockholders, and until their respective successors are elected and duly qualified;
- (ii) a proposal to approve, by non-binding advisory vote, the compensation of our named executive officers, as disclosed in this Proxy Statement, commonly known as a “say-on-pay” proposal;
- (iii) a proposal to ratify the appointment of Ernst & Young LLP as independent registered public accounting firm for the company for fiscal year 2021; and
- (iv) any other business that may properly come before the annual meeting of stockholders or any adjournment of the annual meeting.

GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors. The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. The company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record as of the close of business on April 12, 2021, and will provide reimbursement for the cost of forwarding the material.

Stockholders Entitled to Vote

As of April 12, 2021, there were outstanding and entitled to vote 92,027,806 shares of our common stock. Each share of our common stock entitles the holder to one vote. Stockholders of record at the close of business on April 12, 2021 are entitled to vote at the Annual Meeting or any adjournment or postponement thereof.

We also have outstanding 1,347,321 shares of our 9.75% Series B Cumulative Redeemable Preferred Stock, 496,000 shares of our 8.05% Series C Cumulative Redeemable Preferred Stock and 620,000 shares of our 8.375% Series D Cumulative Redeemable Preferred Stock. These shares have no voting rights, except in limited circumstances, none of which are applicable to the matters that will be presented for consideration at the Annual Meeting.

Stockholder of Record. If your shares are registered directly in your name with the company's transfer agent, American Stock Transfer & Trust Company LLC, you are considered the stockholder of record with respect to those shares, and these proxy materials were sent directly to you by the company.

Street Name Holders. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name," and these proxy materials will be or have been forwarded to you by your bank or broker. The bank or broker holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct your bank or broker on how to vote the shares held in your account. If you wish to attend and vote your shares during the virtual Annual Meeting, you will need to obtain a "legal proxy" from your bank or broker.

Attending the Virtual Annual Meeting

You may attend the virtual Annual Meeting, as well as vote and submit questions online during the Annual Meeting, by visiting <http://www.virtualshareholdermeeting.com/DS2021>. You will need your unique control number, which appears in the proxy card or voting instruction form that accompanied the proxy materials. In the event that you do not have a control number, please contact your bank or broker as soon as possible so that you can be provided with a control number and gain access to the meeting.

Required Vote

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the Annual Meeting. If you have returned a valid proxy or if you hold your shares in your own name as holder of record and attend the virtual Annual Meeting, your shares will be counted as present for the purpose of determining whether there is a quorum. Votes to "withhold," abstentions and "broker non-votes" (as described below) will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of the nominees to our Board of Directors (Proposal 1), the affirmative vote of a plurality of all the votes cast at the Annual Meeting is sufficient to elect the nominee if a quorum is present, meaning each nominee will be elected if he or she receives at least one "for" vote. The affirmative vote of a majority of the votes cast by holders of our common stock at the Annual Meeting is required to approve, on a non-binding, advisory basis, the "say-on-pay" proposal (Proposal 2) and to ratify the appointment of Ernst & Young LLP as the company's independent registered public accounting firm for the fiscal year ending December 31, 2021 (Proposal 3).

TABLE OF CONTENTS

Broker non-votes are instances where a broker holding shares of record for a beneficial owner does not vote the shares because it has not received voting instructions from the beneficial owner and therefore is precluded by the rules of the New York Stock Exchange, which we refer to in this Proxy Statement as “NYSE,” from voting on a particular matter. Under NYSE rules, when a broker holding shares in “street name” does not receive voting instructions from a beneficial owner, the broker has discretionary authority to vote on certain routine matters but is prohibited from voting on non-routine matters. Brokers who do not receive instructions are not entitled to vote on the election of directors or the “say-on-pay” proposal (Proposals 1 and 2) but they are entitled to vote on the ratification of the appointment of the independent registered public accounting firm (Proposal 3).

A vote “withheld” from a director nominee or a broker non-vote on a director nominee will have no effect on the outcome of the vote for Proposal 1, because a plurality of the votes cast at the Annual Meeting is required for the election of each director, meaning each nominee will be elected if he or she receives at least one “for” vote. Similarly, if you abstain from voting on any of Proposals 2 through 3, your abstention will not affect the outcome because abstentions are not counted as votes cast on such proposals under NYSE rules.

If the enclosed proxy card is properly executed and returned to us in time to be voted at the Annual Meeting, it will be voted as specified on the proxy card unless it is properly revoked prior thereto. If no specification is made on the proxy card as to any one or more of the proposals, the shares of common stock represented by the proxy will be voted as follows:

- (i) **FOR** the election of the Class I nominees to our Board of Directors;
- (ii) **FOR** the “say-on-pay” proposal regarding the compensation of our named executive officers;
- (iii) **FOR** the ratification of the appointment of Ernst & Young LLP as the company’s independent registered public accounting firm for the fiscal year ending December 31, 2021; and
- (iv) in the discretion of the proxy holder on any other business that properly comes before the Annual Meeting or any adjournment or postponement thereof.

As of the date of this Proxy Statement, we are not aware of any other matter to be raised at the Annual Meeting.

Voting

Stockholders of Record. If you are a stockholder of record, you may instruct the proxies to vote your shares by telephone, by the Internet or by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our common stock online during the Annual Meeting.

Street Name Holders. If you are a street name holder, you will receive instructions from your bank or broker that you must follow to be able to attend the virtual Annual Meeting or to have your shares voted at the Annual Meeting.

Right to Revoke Proxy

Stockholders of Record. If you are a stockholder of record, you may revoke your proxy instructions through any of the following methods:

- send written notice of revocation, prior to the Annual Meeting, to our Secretary, Nicholas M. Foley, at Drive Shack Inc., 10670 N. Central Expressway, Suite 700, Dallas, TX 75231;
- sign, date and mail a new proxy card to our Secretary;
- dial the number provided on the proxy card and vote again;
- log onto the website provided on the proxy card and vote again;
or
- attend the Annual Meeting and vote your shares online.

Street Name Holders. If you are a street name holder, you must contact your bank or broker to receive instructions as to how you may revoke your proxy instructions.

Copies of Annual Report to Stockholders

A copy of our Annual Report on Form 10-K for our most recently completed fiscal year, which has been filed with the Securities and Exchange Commission, which we refer to in this Proxy Statement as the “SEC,” will be mailed to stockholders entitled to vote at the Annual Meeting who have elected to receive a hard copy. A hard copy

Central Expressway, Suite 700, Dallas, TX 75231, Attention: Investor Relations. You can also find an electronic version of our Annual Report on the Investor Relations section of the Drive Shack website (<https://ir.driveshack.com>).

Voting Results

Broadridge Financial Solutions, Inc., our independent tabulating agent, will count the votes and act as the inspector of election. We will publish the voting results in a Current Report on Form 8-K, which will be filed with the SEC within four business days of the Annual Meeting.

Confidentiality of Voting

We keep all proxies, ballots and voting tabulations confidential as a matter of practice. We permit only our inspector of election to examine these documents.

Recommendations of the Board of Directors

The Board of Directors recommends a vote:

- (i) **FOR** the election of the Class I nominees to our Board of Directors;
- (ii) **FOR** the “say-on-pay” proposal regarding the compensation of our named executive officers;
and
- (iii) **FOR** the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for the company for fiscal year 2021.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The first proposal is to elect two Class I directors to serve until the 2024 annual meeting of stockholders, and until their respective successors are duly elected and qualified.

Our charter authorizes the number of directors to be not less than one, nor more than fifteen. The number of directors on the Board is currently fixed at six. Our Board of Directors is divided into three classes. The members of each class of directors serve staggered three-year terms.

Our current Board of Directors is classified as follows:

Class	Term Expiration	Director	Age
Class I	2021	Stuart A. McFarland	73
		Clifford Press	66
Class II	2022	William J. Clifford	62
		Virgis W. Colbert	81
		Benjamin M. Crane	44
Class III	2023	Wesley R. Edens	58

Clifford Press is not standing for re-election and his term as a Class I director will expire at the Annual Meeting. The Board of Directors has unanimously proposed Stuart A. McFarland and Hana Khouri, our Chief Executive Officer and President, as nominees for election as Class I directors. Mr. McFarland currently serves on our Board of Directors. If elected at the Annual Meeting, Mr. McFarland and Ms. Khouri will hold office until the 2024 annual meeting of stockholders and until their respective successors are duly elected and qualified, subject to earlier retirement, resignation or removal.

Unless otherwise instructed, we will vote all proxies we receive **FOR** Stuart A. McFarland and Hana Khouri. If one of the nominees becomes unable to stand for election as a director, an event that our Board of Directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our Board of Directors.

The Board of Directors recommends that the stockholders vote FOR the election of Mr. McFarland and Ms. Khouri to serve as Class I directors until the 2024 annual meeting of the stockholders, and until their respective successors are duly elected and qualified.

Ms. Khouri has been our Chief Executive Officer since November 2019 and has been our President since August 2019. Prior to joining Drive Shack, Ms. Khouri served as Chief of Staff to the Chief Executive Officer of New Fortress Energy from July 2018 through August 2019. From July 2013 through July 2018, Ms. Khouri held various positions at Topgolf, a golf-themed entertainment company based in Dallas, Texas, including, immediately prior to her departure, International Director of Operations. Prior to serving in that role, she also served as National Director of Operations, National Director of Site Openings and Director of Operations. Ms. Khouri's knowledge, skill, expertise and experience as described above, including her industry experience and familiarity with our business as Chief Executive Officer and President, led our Board of Directors to conclude that Ms. Khouri should be elected as a director.

Compensation of Directors

The total annual compensation generally payable to our non-employee directors is \$125,000. In addition, we pay an annual fee to the chair of the Audit Committee of the Board of Directors of \$10,000, and we pay an annual fee to the respective chairs of the Compensation Committee and Nominating and Corporate Governance Committee of \$5,000. The Committee chair fees are payable in restricted stock units ("RSUs"). All of our non-employee directors are reimbursed for their costs and expenses in attending all meetings of our Board of Directors. Mr. Edens was not compensated by the company for his service as a director.

As detailed in the company's 2018 Omnibus Incentive Plan, which we refer to in this Proxy Statement as the "2018 Plan," the Board of Directors may permit a first time non-employee director to make a one-time election to

participate in a stock purchase and matching grant program, which we refer to in this Proxy Statement as the “Director Stock Program” which provides that if the non-employee director purchases shares of our common stock at fair value within 30 days following the date the individual becomes a non-employee director, then the company will issue a matching grant of fully vested shares of our common stock equal to 20% of the aggregate fair value of the purchased shares.

Of the total compensation paid to our non-employee directors in 2020, \$75,000 was paid in cash (unless a director elected to receive RSUs in lieu of cash). The remainder was paid in RSUs. We generally make the grant of RSUs on the first business day after our annual stockholders’ meeting. The number of RSUs awarded is based on the fair market value of a share of our common stock on the date of grant.

The amounts reported in this column constitute the aggregate grant date fair value of each award of RSUs granted to our non-employee directors in 2020 calculated in accordance with FASB ASC Topic 718. For a summary of the assumptions made in the valuation of these awards, please see Note 11 to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2020. All RSUs held by our non-employee directors vest on the one-year anniversary of the grant date. As of December 31, 2020, the following numbers of stock options and RSUs were held by our non-employee directors: (i) for Mr. Clifford: 89,659 RSUs; (ii) for Mr. Colbert: 38,075 RSUs; (iii) for Mr. Crane: 28,274 RSUs; (iv) for Mr. McFarland: 95,424 RSUs; and (v) for Mr. Press: 333 options and 44,294 RSUs.

Determination of Director Independence

At least a majority of the directors serving on the Board of Directors must be independent. For a director to be considered independent, our Board of Directors must determine that the director does not have any direct or indirect material relationship with the company. The Board of Directors has established categorical standards to assist it in determining director independence, which conform to the independence requirements under the NYSE listing rules. Under the categorical standards, a director will be independent unless:

- (a) within the preceding three years: (i) the director was employed by the company; (ii) an immediate family member of the director was employed by the company as an executive officer; (iii) the director or an immediate family member of the director received more than \$120,000 per year in direct compensation from the company (other than director or committee fees and pension or other forms of deferred compensation for prior service, so long as such compensation is not contingent on continued service); (iv) the director was employed by or affiliated with the independent registered public accounting firm of the company; (v) an immediate family member of the director was employed by the independent registered public accounting firm of the company as a partner, principal or manager; or (vi) an executive officer of the company was on the compensation committee of a company which employed the director, or which employed an immediate family member of the director as an executive officer; or
- (b) he or she is a current employee, or an immediate family member is a current executive officer, of another company that has made payments to, or received payments from, the company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company’s consolidated gross annual revenues.

The Board of Directors may determine, in its discretion, that a director is not independent notwithstanding qualification under the categorical standards. The Board of Directors has determined that each current Board member is independent for purposes of NYSE Rule 303A and each such director has no material relationship with the

company. For Mr. Edens, the Board considered his prior role as an executive officer of the Company and his role as an executive officer of Fortress Investment Group LLC, which was our external manager through 2017.

Statement on Corporate Governance

We emphasize the importance of professional business conduct and ethics through our corporate governance initiatives. Our Board of Directors consists of a majority of independent directors (in accordance with the rules of the NYSE). Our Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee of the Board of Directors are each composed entirely of independent directors.

We have adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics, which delineate our standards for our officers, directors and employees. We make available, free of charge through a link on our website, our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to such reports, if any, as filed with the SEC as soon as reasonably practicable after such filing. Our website also contains our Code of Business Conduct and Ethics, Code of Ethics for Principal Executive Officers and Senior Financial Officers, Corporate Governance Guidelines, and the charters of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee of our Board of Directors. Our website address is <https://ir.driveshack.com>. You may also obtain these documents by writing the company at 10670 N. Central Expressway, Suite 700, Dallas, TX 75231, Attention: Investor Relations.

Our Code of Business Conduct and Ethics applies to all employees, and each of our directors and officers, including our principal executive officer and principal financial officer. The purpose of the Code of Business Conduct and Ethics is to promote, among other things, honest and ethical conduct, full, fair, accurate, timely and understandable disclosure in public communications and reports and documents that the company files with, or submits to, the SEC, compliance with applicable governmental laws, rules and regulations, accountability for adherence to the Code of Business Conduct and Ethics and the reporting of violations thereof.

Our Code of Ethics for Principal Executive Officers and Senior Financial Officers sets forth specific policies to guide the company's senior officers in the performance of their duties. The Code of Ethics for Principal Executive Officers and Senior Financial Officers supplements the Code of Business Conduct and Ethics described above. The company intends to disclose any changes in or waivers from either code applicable to the company's executive officers or directors by posting such information on our website.

The company does not have a policy to separate the roles of Chief Executive Officer and Chairman of the Board of Directors, as the Board of Directors believes it is in the best interests of the company to make that determination based on the position and direction of the company and the membership of the Board. Mr. Edens served as the company's Chief Executive Officer and Chairman of the Board of Directors until February 2007. Since that time, Mr. Edens has served solely as Chairman of the Board of Directors, an arrangement that allows us to profit from his extensive knowledge of the company and its industry. The company does not have a lead independent director since the Chairman of the Board is independent. For additional information, see "Executive Sessions of Non-Management Directors."

Risk Oversight

Our Board plays an active role in overseeing management of our risks. Our Board regularly reviews information regarding our credit, compliance, liquidity and operations, as well as the risks associated with each. The Compensation Committee of our Board (the "Compensation Committee") is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements and the audit committee of the Board (the "Audit Committee") is responsible for overseeing the management of financial, legal and regulatory risks and our enterprise risk management process generally. The Nominating Committee is responsible for managing risks associated with the independence of the Board. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our full Board keeps itself regularly informed regarding such risks through committee reports and otherwise.

Board of Directors and Committee Meetings

During the year ended December 31, 2020, our Board of Directors held six meetings. No director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the

TABLE OF CONTENTS

Nominating and Corporate Governance Committee. During 2020, the Audit Committee met five times, the Compensation Committee met three times and the Nominating and Corporate Governance Committee met two times. Although director attendance at the company's annual meeting each year is encouraged, the company does not have an attendance policy. None of our directors attended the 2020 annual meeting of stockholders (the "2020 Annual Meeting").

Audit Committee. Our Board of Directors has a standing Audit Committee composed entirely of independent directors. The current members of the Audit Committee are Messrs. Clifford, Colbert and McFarland (Chairman), each of whom has been determined by our Board of Directors to be independent in accordance with the rules of the NYSE and the SEC's audit committee independence standards. The purpose of the Audit Committee is to provide assistance to the Board of Directors in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the company and its subsidiaries, including, without limitation, assisting the Board of Directors' oversight of: (a) the integrity of the company's financial statements; (b) the company's compliance with legal and regulatory requirements; (c) the company's independent registered public accounting firm's qualifications and independence; and (d) the performance of the company's independent registered public accounting firm and the company's internal audit function. The Audit Committee is also responsible for appointing the company's independent registered public accounting firm and approving the terms of the registered public accounting firm's services. The Audit Committee operates pursuant to a charter, which is available on our website, <https://ir.driveshack.com>. You may also obtain a copy of the charter by writing the company at 10670 N. Central Expressway, Dallas, TX 75231, Attention: Investor Relations.

The Board of Directors has determined that Mr. McFarland and Mr. Clifford each qualifies as an "Audit Committee Financial Expert" as defined by the rules of the SEC. As noted above, our Board of Directors has determined that Messrs. McFarland and Clifford are independent under NYSE and SEC standards.

Compensation Committee. The current members of the Compensation Committee are Messrs. Colbert, Crane and Press (Chairman), each of whom has been determined by our Board of Directors to be independent in accordance with the rules of the NYSE. The Compensation Committee is responsible for administering and approving the grant of awards under any incentive compensation plan, including any equity-based plan, of the company and making recommendations to the Board of Directors regarding director compensation. The charter of the Compensation Committee is available on our website, at <https://ir.driveshack.com>. You may also obtain a copy of the charter by writing the company at 10670 N. Central Expressway, Suite 700, Dallas, TX 75231, Attention: Investor Relations.

Each current and prospective member of the Compensation Committee, as set forth above, is a "non-employee director" as defined under Rule 16b-3 under the Securities Exchange Act of 1934, as amended, which we refer to in this Proxy Statement as the "Exchange Act," and is also an "outside director" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended, which we refer to in this Proxy Statement as the "Code," as well as an independent director under the NYSE listing standards and other applicable laws, rules and regulations.

Nominating and Corporate Governance Committee. Our Board of Directors has a standing Nominating and Corporate Governance Committee composed entirely of independent directors. The current members of the Nominating and Corporate Governance Committee are Messrs. Crane, Clifford (Chairman) and Press, each of whom has been determined by our Board of Directors to be an independent director in accordance with the rules of the NYSE. The functions of the Nominating and Corporate Governance Committee include, without limitation, the following: (a) recommending to the Board of Directors individuals qualified to serve as directors of the company and on committees of the Board of Directors; (b) advising the Board of Directors with respect to Board composition, procedures and committees; (c) advising the Board of Directors with respect to the corporate governance principles applicable to the company; and (d) overseeing the evaluation of the Board of Directors. The charter of the Nominating and Corporate Governance Committee is available on our website, at <https://ir.driveshack.com>. You may also obtain a copy of the charter by writing the company at 10670 N. Central Expressway, Suite 700, Dallas, TX 75231, Attention: Investor Relations.

The Nominating and Corporate Governance Committee, as required by the company's Bylaws, will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate and may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

TABLE OF CONTENTS

The company's Bylaws provide certain procedures that a stockholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual stockholder meeting must be submitted in writing to the company's Secretary at Drive Shack Inc., 10670 N. Central Expressway, Suite 700, Dallas, TX 75231. The Secretary must receive the notice of a stockholder's intention to introduce a nomination at an annual stockholders' meeting (together with certain required information set forth in the company's Bylaws) within the time frames set forth below under "Advance Notice for Stockholder Nominations and Proposals for 2021 Annual Meeting."

The Nominating and Corporate Governance Committee believes that the qualifications for serving as a director of the company are, taking into account such person's familiarity with the company, possession of such knowledge, experience, skills, expertise, integrity and diversity as would enhance the Board's ability to manage and direct the affairs and business of the company, including, when applicable, the ability of committees of the Board of Directors to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE rule.

In addition to considering a director-candidate's background and accomplishments, the process for identifying and evaluating all nominees includes a review of the current composition of the Board of Directors and the evolving needs of our business. The Nominating and Corporate Governance Committee will identify potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. As described above, the Nominating and Corporate Governance Committee will also consider candidates recommended by stockholders. Our evaluation of nominees does not necessarily vary depending on whether or not the nominee was nominated by a stockholder. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. We do not have a formal policy with regard to the consideration of diversity in identifying director-nominees, but the Nominating and Corporate Governance Committee strives to nominate individuals with a variety of complementary skills. The Nominating and Corporate Governance Committee assesses its achievement of diversity through the review of the Board's composition as part of the Board's annual self-assessment process.

Executive Sessions of Non-Management Directors

Executive sessions of the non-management directors occur during the course of the year, following the regular Board or Committee meeting. "Non-management directors" include all directors who are not officers of the company (which is the entirety of the Board). The non-management director presiding at those sessions is generally the Chairman of the Board, in the case of the Board, and the chair of each of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee, in the case of the executive session of such committee.

Stockholder Communications with Directors

The company provides the opportunity for stockholders and interested parties to communicate with our directors. You can contact our Board of Directors to provide comments, to report concerns, or to ask a question, at the following address:

Drive Shack Inc.
Secretary
10670 N. Central Expressway, Suite 700
Dallas, TX 75231

Stockholders may contact the non-management directors (including the director who presides over the executive sessions of non-management directors, or the non-management directors as a group, or the Audit Committee as a group) at the address above or at the following email address: NonManagementDirectors@driveshack.com.

All communications received as set forth in the preceding paragraph will be opened by the Legal Department, for the sole purpose of determining whether the contents represent a message to the directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, sufficient copies of the contents will be made for each director who is a member of the group or committee to which the envelope or e-mail is addressed. Concerns relating to accounting, internal controls or auditing matters are brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

REPORT OF THE AUDIT COMMITTEE

In accordance with and to the extent permitted by the rules of the SEC, the information contained in the following Report of the Audit Committee shall not be incorporated by reference into any of the company's future filings made under the Exchange Act, and shall not be deemed to be "soliciting material" or to be "filed" under the Exchange Act or the Securities Act of 1933, as amended, which we refer to in this Proxy Statement as the "Securities Act."

The Audit Committee operates under a written charter approved by the Board of Directors, consistent with the corporate governance rules issued by the SEC and the NYSE. The Audit Committee's charter is available on the company's website at <https://ir.driveshack.com>. The members of the Audit Committee hold executive sessions during the course of the year.

The Audit Committee oversees the company's financial reporting process on behalf of the Board of Directors. It is not the duty of the Audit Committee to prepare the company's financial statements, to plan or conduct audits or to determine that the company's financial statements are complete and accurate in accordance with generally accepted accounting principles. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the company's internal control over financial reporting, including a review of management's and the independent registered public accounting firm's assessments of and reports on the effectiveness of internal control over financial reporting and any significant deficiencies or material weaknesses.

The Audit Committee has reviewed and discussed with management the audited financial statements in the annual report on Form 10-K.

The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard 1301, as adopted by the Public Company Accounting Oversight Board, which we refer to in this Proxy Statement as the "PCAOB," other standards of the PCAOB, rules of the SEC and other applicable regulations, including the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable PCAOB and SEC requirements, and has discussed with the independent registered public accounting firm their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors agreed) that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2020, for filing with the SEC. The Audit Committee and the Board of Directors also have recommended, subject to stockholder approval, the selection of the company's independent registered public accounting firm for fiscal year 2021.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

The Compensation Discussion and Analysis that follows provides a description of our compensation program for each of the individuals listed below. We refer to these individuals throughout the Compensation Discussion and Analysis and the tables and narratives that follow as our named executive officers or NEOs. For 2020, our named executive officers were as follows:

- Hana Khouri, Chief Executive Officer and President
- Michael L. Nichols, Chief Financial Officer
- Lawrence A. Goodfield, Jr., Chief Accounting Officer and Treasurer and former Interim Chief Financial Officer
- David M. Hammarley, former Chief Financial Officer

Mr. Hammarley served as our Chief Financial Officer until March 5, 2020, on which date Mr. Goodfield was appointed to serve as our Interim Chief Financial Officer, in addition to serving as our Chief Accounting Officer and Treasurer. Mr. Goodfield served as our Interim Chief Financial Officer until Mr. Nichols was appointed to serve as our new Chief Financial Officer on September 28, 2020.

Role of the Compensation Committee in Executive Compensation

In 2020, our Compensation Committee made all decisions regarding the compensation levels of our named executive officers. It is the Compensation Committee's responsibility to:

- oversee the design of our executive compensation programs, policies and practices;
- determine the types and amounts of compensation for executive officers; and
- review and approve the adoption, termination and amendment of, and to administer and, as appropriate, make recommendations to the Board regarding, our incentive compensation plans.

Role of Executive Officers in Determining Compensation for our Executive Compensation

Our Compensation Committee and the Board made all decisions regarding the compensation of our named executive officers in respect of 2020.

Say-on-Pay Vote

At the 2020 Annual Meeting, our stockholders had the opportunity to cast an advisory vote on the compensation of our NEOs in 2018. The company's say-on-pay vote yielded a 76% approval. Notwithstanding this favorable vote, we continue to seek input from our stockholders to understand their views with respect to the company's approach to executive compensation. After considering the results of the company's say-on-pay vote at our 2020 Annual Meeting, we determined that no changes to the company's executive compensation program were necessary.

TABLE OF CONTENTS

Elements of our Executive Compensation Program

Base Salary. Base salary is a visible and stable foundation of our compensation program. The base salaries of our NEOs are intended to reflect the position, duties and responsibilities of each executive and the market for base salaries of similarly situated executives at other companies of similar size and in similar industries. On a prospective basis, we will continue to evaluate the mix of base salary, short-term incentive compensation and long-term incentive compensation to appropriately align the interests of our NEOs with those of our stockholders. When reviewing each executive's base salary, the Compensation Committee considers the level of responsibility and complexity of the executive's role, whether individual performance in the prior year was particularly strong or weak, and the salaries paid for the same or similar positions in the competitive market. Annual base salaries for our NEOs with respect to 2020 are listed below.

Name	2020 Base Salary
Hana Khouri	\$400,000
Michael L. Nichols	\$350,000
Lawrence A. Goodfield, Jr.	\$285,000
David M. Hammarley	\$425,000

Annual Cash Incentive Bonuses. Our NEOs are eligible to receive annual cash incentives. We consider annual cash incentive bonuses to be "at-risk" compensation. The Compensation Committee considers many factors in its decision-making process relating to the amount, if any, of the annual cash incentive bonuses paid to our NEOs. The factors have generally involved the following:

- *Company performance.* The Compensation Committee reviews all aspects of the company's financial and operational performance, and also assesses performance in relation to the direction of the company's business, taking into account changing economic and market environments.
- *Individual performance.* The Compensation Committee also evaluates each NEO's individual performance, including, generally, one or any combination of the following: exceptional performance of the individual's functional responsibilities; leadership; creativity; innovation; collaboration; development and implementation of growth initiatives; and other activities that are critical to driving long-term value for our stockholders.

At the end of the year, the Compensation Committee reviews both company and individual performance to determine actual bonus payouts for the applicable year. Historically, the Compensation Committee has not applied a rigid set of rules for determining the relative importance of the factors listed above.

Name	2020 Annual Incentive
Hana Khouri	\$500,000
Michael L. Nichols	\$ 45,000
Lawrence A. Goodfield, Jr.	\$285,000
David M. Hammarley	\$ 0

Equity Awards. In 2018, our Board adopted and our stockholders approved the 2018 Plan, pursuant to which, we may grant incentive stock options, non-qualified stock options, restricted stock, RSUs and other stock-based awards to our employees, including the NEOs. We did not grant any equity awards in 2020.

Employment Agreements

We are party to employment agreements with Mr. Goodfield and Mr. Nichols. The employment agreements provide for the payment of a base salary and certain other benefits. Mr. Goodfield and Mr. Nichols are also eligible to earn an annual bonus equal to a percentage of base salary.

Mr. Goodfield is also eligible to receive severance benefits pursuant to their employment agreements in the event of certain terminations of employment. For a more detailed description of such benefits, see "Potential Payment upon Termination or Change in Control."

TABLE OF CONTENTS

Restrictive Covenants

Mr. Goodfield and Mr. Nichols each is (and Messr. Hammarley was) subject to certain non-compete and non-solicitation restrictions while employed and for one year after termination of employment along with other standard perpetual covenants regarding confidentiality, intellectual property and related matters.

Tax Considerations

As a general matter, our Board and the Compensation Committee review and consider the various tax and accounting implications of our existing and proposed compensation programs. We consider the tax-deductibility of compensation in designing our compensation programs, but it is not our sole consideration and we retain the discretion to award compensation that is non-deductible. In addition, due to U.S. tax reform legislation (as described below), the opportunity to design programs on a go-forward basis that are fully tax-deductible for our named executive officers has effectively been eliminated. Therefore, the tax-deductibility of compensation had less of an impact on the design of our compensation programs in 2019, and we expect that tax-deductibility will continue to have less of an impact on our program design in the future.

Section 162(m) of the Internal Revenue Code of 1986, as amended (together with the Treasury Regulations thereunder, the “Code”) generally disallows deductions for compensation paid to certain members of senior management in excess of \$1 million per year. Historically, this deduction limitation did not apply to “performance-based” compensation as described in the regulations under Section 162(m). However, the Tax Cuts and Jobs Act, enacted on December 22, 2017, substantially modified Section 162(m) and, among other things, eliminated the performance-based exception to the \$1 million deduction limit effective as of January 1, 2018. As a result, beginning in 2018, compensation paid to our named executive officers who are “covered employees” under Code Section 162(m) in excess of \$1 million is generally nondeductible, whether or not it is performance-based. In addition, starting with our 2018 fiscal year, our “covered employees” under Code Section 162(m) will include any individual who serves as our CEO or CFO at any time during the fiscal year and our three next most highly compensated officers (other than our CEO and CFO) for the fiscal year, and once an individual becomes a “covered employee” for any fiscal year beginning after December 31, 2016, that individual will remain a “covered employee” for all future fiscal years, including following any termination of employment.

Hedging and Pledging Policy

Our insider trading policy expressly prohibits transactions involving hedging or pledging of shares of our common stock and other equity securities and derivatives by Covered Persons (defined as our and our subsidiaries’ officers, directors and employees, as well as their spouses, minor children, adult family members sharing the same household on a continuous basis, financial dependents, and any other person or entity over whom the officer, director or employee exercises substantial influence or control over his, her its securities trading decisions, and any other trust or other estate in which an officer, director or employee has a substantial beneficial interest or as to which he or she serves as trustee or in a similar capacity).

[TABLE OF CONTENTS](#)**COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the 2020 Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with the company's management.

Based on this review and their discussions, the Compensation Committee has recommended to the Board of Directors that the 2020 Compensation Discussion and Analysis be included in the company's annual report on Form 10-K for the year ended December 31, 2020.

Outstanding Equity Awards at 2020 Fiscal Year-End

- (2) Mr. Goodfield's RSUs vest as follows: 7,153 vested on April 11, 2021 and 7,153 will vest on April 22, 2022.

Stock Vested for 2020

Name	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$)
Lawrence A. Goodfield, Jr.	7,153 ⁽¹⁾	\$10,658

- (1) Mr. Goodfield's RSUs vested as follows: 7,153 vested on April 11, 2020.

Potential Payments upon Termination or Change in Control

Mr. Goodfield

Mr. Goodfield's RSU agreement with the company in respect of the RSUs that were granted to him effective as of April 11, 2019 provides that upon a termination of employment by the company without cause or as a result of his death or disability, in each case that occurs prior to the vesting date of the final tranche of such RSUs, the RSUs that were scheduled to vest on the next scheduled vesting date will immediately become vested. Assuming a qualifying termination under such RSU agreement had occurred on December 31, 2020, Mr. Goodfield would have received accelerated vesting of 7,153 RSUs with a value equal to \$17,024 calculated as of December 31, 2020 (based on the closing price per share as of such date).

The 2018 Plan also generally provides for double-trigger protection upon a qualifying termination following a change in control of the company, such that if (i) a change in control occurs and (ii) Mr. Goodfield's employment was terminated by the company or any of its successors or affiliates without cause or by Mr. Goodfield for good reason within 12 months following the change in control, then any RSUs will be deemed fully vested. Assuming a qualifying termination under the 2018 Plan had occurred following a change in control on December 31, 2020, Mr. Goodfield would have received accelerated vesting of 14,306 RSUs with a value equal to \$34,048 calculated as of December 31, 2020 (based on the closing price per share as of such date).

Compensation Risk Assessment

As a result of their regular review of compensation policies and practices, management has concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on the company. The Compensation Committee has reviewed and agrees with management's conclusion.

CEO Pay Ratio for 2020

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we determined that the 2020 total compensation of Hana Khouri, our Chief Executive Officer, which totaled \$900,000, was approximately 140 times the total compensation of our median employee in 2020 calculated in the same manner, which totaled \$6,431. We employ a large number of part-time and seasonal employees, in addition to hourly entry-level employees. In 2020, we also underwent furloughs of employees in connection with government mandated closures of our venues. The foregoing factors tend to decrease the total compensation of our median employee.

We identified the median employee using the W-2 compensation for 2020 of our employees, excluding our Chief Executive Officer, who were employed by us on December 31, 2020, the last day of our payroll year (whether employed on a full-time, part-time, seasonal or temporary basis). After identifying the median employee, we calculated annual total compensation for such employee using the same methodology we use for our CEO Compensation.

PROPOSAL NO. 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, which was added by The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (“Dodd-Frank”) and the related SEC rules promulgated thereunder, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the compensation of the named executive officers. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers.

As described in the “Compensation Discussion and Analysis” section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain qualified individuals who can help the company achieve its key business objectives and ultimately increase long-term stockholder value. We urge our stockholders to review the Executive Compensation section of this Proxy Statement, and the compensation tables and narrative discussion included therein for more information.

We believe that our executive compensation programs have been effective at promoting the achievement of positive results, appropriately aligning pay and performance, and enabling us to attract and retain very talented executives while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

For these reasons, the Board recommends a vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 2.

The Board of Directors recommends that the stockholders vote FOR the approval, on an advisory basis, of the compensation of the named executive officers, as disclosed in this Proxy Statement.

Delinquent Section 16(a) Reports

To our knowledge, based solely on review of the copies of such reports furnished to us during the year ended December 31, 2020, all reports required to be filed by our directors, executive officers and greater-than-ten-percent owners were timely filed in compliance with the Section 16(a) filing requirements, other than with respect to William J. Clifford, a Form 4 in respect of one transaction, filed on December 20, 2020.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review of Transactions with Related Persons

SEC rules define “transactions with related persons” to include any transaction in which the company is a participant, the amount involved exceeds \$120,000, and in which any “related person,” including any officer, director, nominee for director or beneficial holder of more than 5% of any class of our voting securities or an immediate family member of any of the foregoing, has a direct or indirect material interest. The company adopted a written policy that outlines procedures for approving transactions with related persons, and the independent directors review and approve or ratify such transactions pursuant to the procedures outlined in this policy. In determining whether to approve or ratify a transaction with a related person, the independent directors will consider a variety of factors they deem relevant, such as: the terms of the transaction; the terms available to unrelated third parties; the benefits to the company; and the availability of other sources for comparable assets, products or services. The independent directors have also adopted standing pre-approvals under the policy for specified categories of transactions, including investments in securities offerings.

Other Related Party Transactions

From time to time, our directors and officers purchase shares of our common stock in connection with public offerings of our common stock. Such purchases are made at the public offering price.

On January 28, 2021, we entered into an underwriting agreement (the “Underwriting Agreement”) with BTIG, LLC, as representative of the several underwriters named therein (the “Underwriters”), and Mr. Edens, as the director purchaser. Pursuant to the terms of the Underwriting Agreement, Mr. Edens agreed to purchase, and we agreed to sell, subject to and on conditions set forth therein, an aggregate of 672,780 shares of our common stock, at a price of \$2.40 per share (equal to the public offering price). The sales of our common stock pursuant to the Underwriting Agreement, including the 23,285,553 shares of common stock sold to the Underwriters, closed on February 2, 2021.

ADVANCE NOTICE FOR STOCKHOLDER NOMINATIONS AND PROPOSALS FOR 2022 ANNUAL MEETING

Proposals received from stockholders are given careful consideration by the company in accordance with Rule 14a-8 under the Exchange Act. Stockholder proposals are eligible for consideration for inclusion in the proxy statement for the 2021 annual meeting of stockholders if they are received by the company on or before December 31, 2021. In addition, all proposals will need to comply with Rule 14a-8, which lists the requirements for inclusion of stockholder proposals in company-sponsored proxy materials. Any proposal should be directed to the attention of the company's Secretary at 10670 N. Central Expressway, Suite 700, Dallas, TX 75231.

In order for a stockholder proposal, including proposals regarding director nominees, submitted outside of Rule 14a-8 to be considered "timely," the company's Bylaws require that such proposal must be received by the company not less than 90 days nor more than 120 days prior to the one-year anniversary of the date of mailing of the notice of the preceding year's annual meeting of stockholders. Accordingly, in order for a proposal relating to business to be conducted at our 2021 annual meeting of stockholders to be "timely" under the company's Bylaws, it must be received by the Secretary of the company at our principal executive office no earlier than December 31, 2021 and no later than January 30, 2022. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The company and some brokers household proxy materials, delivering a single annual report and proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the company that they or the company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report and proxy statement, please notify your broker if your shares are held in a brokerage account or the company if you hold registered shares. You can notify the company by sending a written request to Drive Shack Inc., 10670 N. Central Expressway, Suite 700, Dallas, TX 75231, Attention: Investor Relations or by contacting Investor Relations at 646-585-5591, and we will deliver promptly a separate copy of the annual report and proxy statement.
