PROXY STATEMENT

**For The 2010 Annual Meeting of Stockholders To Be Held On Wednesday,
June 2, 2010**

This Proxy Statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the board of directors of Newcastle Investment Corp., a Maryland corporation, for use at the Annual Meeting to be held on Wednesday, June 2, 2010, and any adjournments or postponements thereof. "We," "our," "us," "the Company" and "Newcastle" each refers to Newcastle Investment Corp. The mailing address of our executive office is 1345 Avenue of the Americas, 46th Floor, New York, New York 10105. This Proxy Statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share (the "Common Stock"), on or about April 21, 2010.

A proxy may confer discretionary authority to vote with respect to any matter presented at the Annual Meeting. At the date hereof, management has no knowledge of any business that will be presented for consideration at the Annual Meeting and which would be required to be set forth in this Proxy Statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the Annual Meeting for consideration, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matter.

Matters to be considered at the Annual Meeting

At the Annual Meeting, stockholders of the Company's Common Stock will vote upon:

- (i) a proposal to elect two Class II directors to serve until the 2013 annual meeting of stockholders or until their successors are elected and duly qualified;
- (ii) a proposal to approve the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2010; and
- (iii) any other business that may properly come before the annual meeting of stockholders or any adjournment of the annual meeting.

GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. In addition, to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record as of the close of business on April 8, 2010, and will provide reimbursement for the cost of forwarding the material.

Stockholders Entitled To Vote

As of April 8, 2010, there were outstanding and entitled to vote 62,004,181 shares of our Common Stock. Each share of our Common Stock entitles the holder to one vote. Stockholders of record at the close of business on April 8, 2010, are entitled to vote at the Annual Meeting or any adjournment or postponement thereof. A stockholder list will be available for examination by Newcastle stockholders at the Annual Meeting and at the office of the Company at 1345 Avenue of the Americas, 46th Floor, New York, New York 10105, during ordinary business hours during the ten-day period prior to the Annual Meeting for any purpose germane to the meeting.

We also have outstanding 1,347,321 shares of our 9.75% Series B Cumulative Redeemable Preferred Stock, 496,000 shares of our 8.05% Series C Cumulative Redeemable Preferred Stock and 620,000 shares of our 8.375% Series D Cumulative Redeemable Preferred Stock. These shares have no voting rights, except in limited circumstances, none of which are applicable to the matters that will be presented for consideration at the Annual Meeting.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer and Trust Co LLC, you are considered the stockholder of record with respect to those shares, and these proxy materials were sent directly to you by the Company.

Street Name Holders. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in "street name," and these proxy materials were forwarded to you by your bank or broker. The bank or broker holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct your bank or broker on how to vote the shares held in your account. If you wish to attend the Annual Meeting, you will need to obtain a "legal proxy" from your bank or broker.

Required Vote

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the Annual Meeting. If you have returned a valid proxy or if you hold your shares in your own name as holder of record and attend the Annual Meeting in person, your shares will be counted as present for the purpose of determining whether there is a quorum. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of the nominees to our board of directors, the affirmative vote of a plurality of all the votes cast at the Annual Meeting is sufficient to elect the nominee if a quorum is present. For the approval of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010, the affirmative vote of a majority of the shares of our Common Stock cast at the Annual Meeting is required to approve the matter.

If the enclosed proxy is properly executed and returned to us in time to be voted at the Annual Meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

- (i) **FOR** the election of the nominees to our board of directors;
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010; and
- (iii) in the discretion of the proxy holder on any other business that properly comes before the Annual Meeting or any adjournment or postponement thereof.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. "Broker non-votes" are instances where a broker holding shares of record for a beneficial owner does not vote the shares because it is precluded by rules of the New York Stock Exchange (the "NYSE") from voting on a matter.

Under the rules of the NYSE, brokers who hold shares in "street name" may have the authority to vote on certain routine matters when they do not receive instructions from beneficial owners. Brokers who do not receive instructions are not entitled to vote on the election of directors, but are entitled to vote on the ratification of the independent registered public accounting firm. In determining whether the proposal to ratify the appointment of the independent registered public accounting firm has received the requisite vote, abstentions will be disregarded and will have no effect on the outcome of the vote. A vote "withheld" from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the Annual Meeting is required for the election of each director.

Abstentions (and broker non-votes) will be disregarded and will have no effect on the outcome of the election of our board of directors, the appointment of Ernst & Young LLP or any other matter for which the required vote is a majority of the votes cast. If any other matters are properly presented at the Annual Meeting for consideration, the persons named in the proxy will have the discretion to vote on those matters for you. As of the date of this Proxy Statement, we are not aware of any other matter to be raised at the Annual Meeting.

If you are a stockholder of record, you may instruct the proxies to vote your shares by telephone, by the Internet or by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our Common Stock in person at the Annual Meeting.

Street Name Holders. If you are a street name holder, you will receive instructions from your bank or broker that you must follow to be able to attend the Annual Meeting or to have your shares voted at the Annual Meeting.

Right to Revoke Proxy

Stockholders of Record. If you are a stockholder of record, you may revoke your proxy instructions through any of the following methods:

Copies of Annual Report to Stockholders

Confidentiality of Voting

We keep all proxies, ballots and voting tabulations confidential as a matter of practice. We permit only our Inspector of Election, Broadridge Financial Solutions, Inc., to examine these documents.

Recommendations of the Board of Directors

The board of directors recommends a vote:

- (i) **FOR** the election of the nominees to our board of directors; and
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2010.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The first proposal is to elect two Class II directors to serve until the 2013 annual meeting of stockholders or until their respective successors are duly elected and qualified.

Our charter authorizes the number of directors to be not less than one, nor more than fifteen. The number of directors on the board is currently fixed at six. Our board of directors is divided into three classes. The members of each class of directors serve staggered three-year terms.

Our current board of directors is classified as follows:

Class	Director	Term Expiration
Class I	Stuart A. McFarland Peter M. Miller	2012 2012
Class II	Kevin J. Finnerty Kenneth M. Riis	2010 2010
Class III	Wesley R. Edens David K. McKown	2011 2011

In general, the term for a Class I director expires in 2012, the term for a Class II director expires in 2010 and the term for a Class III director expires in 2011.

The board of directors has unanimously proposed Kevin J. Finnerty and Kenneth M. Riis as nominees for election as Class II directors. The director-nominees currently serve on our board of directors. Mr. Finnerty was unanimously appointed to our board of directors in 2005, and was elected to serve as a Class II director through 2010 at our 2007 Annual Meeting. Mr. Riis was unanimously appointed to our board of directors in 2007, and was elected to serve as a Class II director through 2010 at our 2007 Annual Meeting. If elected at the Annual Meeting, each of Mr. Finnerty and Mr. Riis will hold office until the 2013 annual meeting of stockholders or until their successors are duly elected and qualified, subject to earlier retirement, resignation or removal. Unless otherwise instructed, we will vote all proxies we receive FOR Mr. Finnerty and Mr. Riis. If either of the nominees becomes unable to stand for election as a director, an event that our board of directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our board of directors.

The board of directors recommends that you vote **FOR** the election of Mr. Finnerty and Mr. Riis to serve as our directors until the 2013 annual meeting of the stockholders or until their successors are duly elected and qualified.

Class	Director	Term Expiration
Class II	Kevin J. Finnerty	2013
Class II	Kenneth M. Riis	2013

Legal Proceedings Involving Directors, Officers and Affiliates

There are no legal proceedings ongoing as to which any director, officer or affiliate of the Company, or, to the knowledge of the Company, any beneficial owner or owner of record of more than five percent of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

Compensation of Directors

We pay a \$30,000 annual director's fee to each of our directors who are not officers (that is, other than Mr. Edens and Mr. Riis). All members of our board of directors are reimbursed for their costs and expenses in attending all meetings of our board of directors. Fees to the directors may be paid in cash or may be made by issuance of Common Stock, based on the value of such Common Stock at the date of issuance, rather than in cash.

In addition, pursuant to Newcastle Investment Corp.'s Nonqualified Stock Option and Incentive Award Plan (referred to herein as the Stock Incentive Plan), each of our directors who are not officers receive effective on the first business day after our annual meeting of stockholders automatic annual awards of our Common Stock valued at \$15,000, based on the per share closing price of our Common Stock on the NYSE on the date of grant. In 2009, these directors each received, accordingly, a grant of 18,519 shares. In addition, new directors who are not officers receive a one-time grant of fully-vested options for 2,000 shares of our Common Stock with an exercise price equal to the fair market value of our Common Stock on the date of grant.

Affiliated directors (Mr. Edens and Mr. Riis) are not compensated by the Company for their service as directors.

Determination of Director Independence

At least a majority of the directors serving on the board of directors must be independent. For a director to be considered independent, our board of directors must determine that the director does not have any direct or indirect material relationship with the Company. The board of directors has established categorical standards to assist it in determining director independence, which conform to the independence requirements under the NYSE listing rules. Under the categorical standards, a director will be independent unless:

- (a) within the preceding three years: (i) the director was employed by the Company or its manager; (ii) an immediate family member of the director was employed by the Company or its manager as an executive officer; (iii) the director or an immediate family member of the director received more than \$120,000 per year in direct compensation from the Company, its manager or any controlled affiliate of its manager (other than director or committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent on continued service)); (iv) the director was employed by or affiliated with the independent registered public accounting firm of the Company or its manager; (v) an immediate family member of the director was employed by the independent registered public accounting firm of the Company or its manager as a partner, principal or manager; or (vi) an executive officer of the Company or its manager was on the compensation committee of a company which employed the director, or which employed an immediate family member of the director as an executive officer; or
- (b) he or she is an executive officer of another company that does business with the Company and the annual sales to, or purchases from, the Company is the greater of \$1 million, or two percent of such other company's consolidated gross annual revenues.

Whether directors meet these categorical independence tests will be reviewed and will be made public annually prior to our annual meeting of stockholders. The board of directors may determine, in its discretion, that

a director is not independent notwithstanding qualification under the categorical standards. The board of directors has determined that each of Messrs. Finnerty, McFarland, McKown and Miller are independent for purposes of NYSE Rule 303A and each such director has no material relationship with the Company. In making such determination, the board of directors took into consideration, (i) in the case of Mr. Finnerty, that Mr. Finnerty is an independent director and stockholder of Newcastle Investment Holdings LLC (the predecessor of Newcastle), an entity managed by the Company's manager, and Mr. Finnerty received a loan in the amount of \$500,000 from each of Messrs. Edens and Nardone in 2009 and (ii) that certain directors have invested in the securities of private investment funds or companies managed by the Company's manager.

Statement on Corporate Governance

Overview. We emphasize the importance of professional business conduct and ethics through our corporate governance initiatives. Our board of directors consists of a majority of independent directors (in accordance with the rules of the NYSE). Our Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are each composed exclusively of the independent directors.

We have adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics, which delineate our standards for our officers and directors, and employees of our manager, an affiliate of Fortress Investment Group LLC. We make available, free of charge through a link on our website, our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to such reports, if any, as filed with the SEC as soon as reasonably practicable after such filing. Our site also contains our Code of Business Conduct and Ethics, Code of Ethics for Principal Executive Officers and Senior Financial Officers, Corporate Governance Guidelines, and the charters of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee of our board of directors. Our website address is www.newcastleinv.com. You may also obtain these documents by writing the Company at 1345 Avenue of the Americas, 46th Floor, New York, New York 10105, Attention: Investor Relations.

As mentioned above, the board of directors has adopted a Code of Business Conduct and Ethics, which is available on our website, that applies to all employees of our external manager who provide services to us, and each of our directors and officers, including our principal executive officer and principal financial officer. The purpose of the Code of Business Conduct and Ethics is to promote, among other things, honest and ethical conduct, full, fair, accurate, timely and understandable disclosure in public communications and reports and documents that the Company files with, or submits to, the SEC, compliance with applicable governmental laws, rules and regulations, accountability for adherence to the code and the reporting of violations thereof.

The Company has also adopted a Code of Ethics for Principal Executive Officers and Senior Financial Officers, which is available on our website and which sets forth specific policies to guide the Company's senior officers in the performance of their duties. This code supplements the Code of Business Conduct and Ethics described above. The Company intends to disclose any changes in or waivers from its Code of Ethics for Principal Executive Officers and Senior Financial Officers by posting such information on our website.

The Company does not have a policy to separate the roles of Chief Executive Officer and Chairman of the board of directors, as the board of directors believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Mr. Edens served as the Company's Chief Executive Officer and Chairman of the board of directors until February 2007. Since that time, Mr. Edens has served solely as Chairman of the board of directors, an arrangement that allows us to profit from his extensive knowledge of the Company and its industry. Our current Chief Executive Officer, Mr. Riis, also serves as a director, a structure that permits him to focus on the management of the Company's day-to-day operations while still fostering communication between the Company's management and the board of directors. The Company does not have a lead independent director.

Board and Committee Meetings

During the year ended December 31, 2009, our board of directors held 12 meetings. No director (other than Mr. Edens) attended fewer than 75 percent of all meetings of our board of directors and the committees on which such director served. The board of directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. During 2009, the Audit Committee met seven times, the Compensation Committee met two times and the Nominating and Corporate Governance Committee met once. Although director attendance at the Company's annual meeting each year is encouraged, the Company does not have an attendance policy. One director, Mr. Riis, attended the 2009 annual stockholder meeting.

Audit Committee. The members of the Audit Committee are Messrs. Finnerty, McFarland (Chairman), McKown and Miller. The Audit Committee is governed by a written charter adopted by our board of directors and is composed of four independent directors (each of whom has been determined by our board of directors to be independent in accordance with the rules of the New York Stock Exchange and the SEC's audit committee independence standards), and, as a result, no member has any relationship with the Company that may interfere with the exercise of his independence from the Company and the Company's management. The board of directors has determined that each member of the Audit Committee has the ability to read and understand fundamental financial statements. The board of directors has determined that Mr. McFarland qualifies as an "Audit Committee Financial Expert," as defined by the rules of the SEC. Actions taken by the Audit Committee are reported to the board of directors, usually at its next scheduled meeting.

The purpose of the Audit Committee is to provide assistance to the board of directors in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Company and its subsidiaries, including, without limitation, assisting the board's oversight of (a) the integrity of the Company's financial statements; (b) the Company's compliance with legal and regulatory requirements; (c) the Company's independent registered public accounting firm's qualifications and independence; and (d) the performance of the Company's independent registered public accounting firm and the Company's internal audit function. The Audit Committee is responsible for pre-approval of audit and, subject to *de minimis* exceptions, permitted non-audit services.

The Company's risk management is overseen by the Chief Executive Officer, who receives reports directly from other officers and individuals who perform services for the Company. Material risks are identified and prioritized by management, and material risks are periodically discussed with the board of directors. The board of directors regularly reviews information regarding the Company's credit, liquidity, and operations, including risks and contingencies associated with each area. In addition to the formal compliance program, the board of directors encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Compensation Committee. The members of the Compensation Committee are Messrs. Finnerty, McFarland, McKown (Chairman) and Miller, each of whom has been determined by our board of directors to be independent in accordance with the rules of the New York Stock Exchange. The Compensation Committee is responsible for overseeing the annual review of the management agreement with the Company's manager, administering and approving the grant of awards under any incentive compensation plan, including any equity-based plan, of the Company and making recommendations to the board of directors regarding director compensation. During 2009, the Company did not pay any cash compensation to its executive officers or grant any options to affiliates of our manager. The Compensation Committee conducted its annual review of the management agreement after which it advised the full board of directors that, in its view, there was no contractual basis for the independent directors to recommend a termination of the management agreement and that the management fees earned by the manager are fair.

Each member of the Compensation Committee is a "non-employee director" as defined under Rule 16b-3 of the Exchange Act and is also an "outside director" as defined under Section 162(m) of the Internal Revenue Code

of 1986, as amended, as well as being an independent director under the New York Stock Exchange listing standards and other applicable laws, rules and regulations.

Nominating and Corporate Governance Committee. The members of the Nominating and Corporate Governance Committee are Messrs. Finnerty, McFarland, McKown and Miller (Chairman), each of whom has been determined by our board of directors to be an independent director in accordance with the rules of the NYSE. The functions of the Nominating and Corporate Governance Committee include, without limitation, the following: (a) recommending to the board of directors individuals who are qualified to serve as directors of the Company and on board committees; (b) advising the board of directors with respect to board composition, procedures and committees; (c) advising the board of directors with respect to the corporate governance principles applicable to the Company; and (d) overseeing the evaluation of the board of directors.

The Nominating and Corporate Governance Committee has the authority to identify potential director nominees by asking current directors and executive officers to notify the Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee, as required by the Company's Bylaws, also considers director candidates recommended by stockholders.

The Company's Bylaws provide certain procedures that a stockholder must follow to nominate persons for election to the board of directors. Nominations for director at an annual stockholder meeting must be submitted in writing to the Company's Secretary at Newcastle Investment Corp., 1345 Avenue of the Americas, 46th Floor, New York, New York 10105. The Secretary must receive the notice of a stockholder's intention to introduce a nomination at an annual stockholders meeting (together with certain required information set forth in the Company's Bylaws) not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; or in the event that the date of the annual meeting is advanced or delayed by more than 30 days from such anniversary date, not earlier than the close of business on the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company.

The Nominating and Corporate Governance Committee believes that the qualifications for serving as a director of the Company are possession, taking into account such person's familiarity with the Company, of such knowledge, experience, skills, expertise, integrity and diversity as would enhance the board of director's ability to manage and direct the affairs and business of the Company, including, when applicable, the ability of committees of the board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE listing requirement. In addition to considering a director-candidate's background and accomplishments, the Nominating and Corporate Governance Committee also reviews the current composition of the board of directors and the evolving needs of our business. The Company does not have a formal policy with regard to the consideration of diversity in identifying director-nominees, but the Nominating and Corporate Governance Committee strives to nominate individuals with a variety of complementary skills. Director-nominees are also selected to maintain at least a majority of independent directors on the board of directors and provide the expertise and skills that may be required by board committees to fulfill their duties. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

REPORT OF THE AUDIT COMMITTEE

In accordance with and to the extent permitted by the rules of the SEC, the information contained in the following Report of the Audit Committee shall not be incorporated by reference into any of the Company's future filings made under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and shall not be deemed to be "soliciting material" or to be "filed" under the Exchange Act or the Securities Act of 1933, as amended.

We operate under a written charter approved by the board of directors, consistent with the corporate governance rules issued by the SEC and the NYSE. Our charter is available on the Company's website at www.newcastleinv.com.

The Audit Committee oversees the Company's financial reporting process on behalf of the board of directors. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate in accordance with generally accepted accounting principles. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the Company's internal controls over financial reporting, including a review of management's and the independent registered public accounting firm's assessments of and reports on the effectiveness of internal controls over financial reporting and any significant deficiencies or material weaknesses.

The Audit Committee has reviewed and discussed with management the audited financial statements in the annual report to stockholders.

The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement of Auditing Standards 61, as modified or supplemented, other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations, including the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independent Standards Board Standard No. 1, as modified or supplemented, and has discussed with the independent registered public accounting firm their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the board of directors (and the board agreed) that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2009, for filing with the SEC. The Audit Committee and the board of directors also have recommended, subject to stockholder approval, the selection of the Company's independent registered public accounting firm for fiscal year 2010.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We are party to a management agreement with an affiliate of Fortress Investment Group LLC, pursuant to which our manager provides for the day-to-day management of our operations.

The management agreement requires our manager to manage our business affairs under the direction of our board of directors and in conformity with the policies and the investment guidelines that are approved and monitored by our board of directors. Our manager is responsible for, among other things, (i) the purchase and sale of real estate securities, real estate related loans and other real estate related assets, (ii) the financing of such investments, (iii) management of our real estate, including arranging for purchases, sales, leases, maintenance and insurance, (iv) the purchase, sale and servicing of loans for us, and (v) investment advisory services. Our manager is also responsible for our day-to-day operations and performs (or causes to be performed) such other services and activities relating to our assets and operations as may be appropriate.

We pay our manager an annual management fee equal to 1.5% of our gross equity, as defined in the management agreement.

To provide an incentive for our manager to enhance the value of our Common Stock, our manager is entitled to receive an annual incentive return (the "Incentive Compensation") on a cumulative, but not compounding, basis in an amount equal to the product of (A) 25% of the dollar amount by which (1) (a) our funds from operations, as defined (before the Incentive Compensation) per share of Common Stock (based on the weighted average number of shares of Common Stock outstanding) plus (b) gains (or losses) from debt restructuring and from sales of property per share of Common Stock (based on the weighted average number of shares of Common Stock outstanding), exceed (2) an amount equal to (a) the weighted average of the book value per share of Common Stock of the net assets transferred to us on or prior to July 12, 2002, by Newcastle Investment Holdings Corp., and the price per share of Common Stock in any of our subsequent offerings (adjusted for prior capital dividends or capital distributions) multiplied by (b) a simple interest rate of 10% per annum multiplied by (B) the weighted average number of shares of our Common Stock outstanding during such period. Our manager earned no incentive compensation during 2009. We expect that there will be no incentive compensation payable to our manager for an indeterminate period of time.

The management agreement provides for automatic one-year extensions. Our independent directors review our manager's performance annually and the management agreement may be terminated annually upon the affirmative vote of at least two-thirds of our independent directors, or by a vote of the holders of a majority of the outstanding shares of our Common Stock, based upon unsatisfactory performance that is materially detrimental to us or a determination by our independent directors that the management fee earned by our manager is not fair, subject to our manager's right to prevent such a termination by accepting a mutually acceptable reduction of fees. Our manager would be provided with 60 days' prior notice of any such termination and paid a termination fee equal to the amount of the management fee earned by our manager during the twelve-month period preceding such termination which may make it more difficult for us to terminate the management agreement. Following any termination of the management agreement, we have the option to purchase our manager's right to receive the Incentive Compensation at a cash price equal to the amount of the Incentive Compensation that would be paid to the manager if our assets were sold for cash at their then current fair market value (as determined by an appraisal, taking into account, among other things, the expected future value of the underlying investments) or otherwise we may continue to pay the Incentive Compensation to our manager. In addition, were we to not purchase our manager's Incentive Compensation, our manager may require us to purchase the same at the price discussed above. In addition, the management agreement may be terminated by us at any time for cause.

Because our management agreement provides that our manager will assume principal responsibility for managing our affairs, our officers, in their capacities as such, do not receive any cash compensation directly from us. However, in their capacities as officers or employees of our manager, or its affiliates, they devote such

portion of their time to our affairs as is required for the performance of the duties of our manager under the management agreement. Our manager has informed us that, because the services performed by its officers or employees in their capacities as such are not performed exclusively for us, it cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our named executive officers by the manager that relates solely to their services to us. We may, from time to time, at the discretion of the Compensation Committee of the board of directors, grant options to purchase shares of our Common Stock or other equity interests in us to our officers.

Below is a summary of the fees and other amounts earned by our manager in connection with services performed for us during fiscal year 2009.

- (1) We pay our manager an annual management fee equal to 1.5% of our gross equity, as defined in our management agreement. Our manager uses the proceeds from its management fee in part to pay compensation to its officers and employees who, notwithstanding that certain of them also are our officers, receive no cash compensation directly from us.
- (2) The management agreement provides that we will reimburse our manager for various expenses incurred by our manager or its officers, employees and agents on our behalf, including costs of legal, accounting, tax, auditing, administrative and other similar services rendered for us by providers retained by our manager or, if provided by our manager's employees, in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis; certain of such services are provided by our manager. The management agreement provides that such costs shall not be reimbursed in excess of \$500,000 per annum. We also pay all of our operating expenses, except those specifically required to be borne by our manager under the management agreement. Our manager is responsible for all costs incident to the performance of its duties under the management agreement, including compensation of our manager's employees, rent for facilities and other "overhead" expenses. The expenses required to be paid by us include, but are not limited to, issuance and transaction costs incident to the acquisition, disposition and financing of our investments, legal and auditing fees and expenses, the compensation and expenses of our independent directors, the costs associated with the establishment and maintenance of any credit facilities and other indebtedness of ours (including commitment fees, legal fees, closing costs, etc.), expenses associated with other securities offerings of ours, the costs of printing and mailing proxies and reports to our stockholders, costs incurred by employees of our manager for travel on our behalf, costs associated with any computer software or hardware that is used solely for us, costs to obtain liability insurance to indemnify our directors and officers, the compensation and expenses of our transfer agent and fees payable to the NYSE.
- (3) Our manager is entitled to receive the Incentive Compensation pursuant to the terms of the management agreement with us. The purpose of the Incentive Compensation is to provide an additional incentive for our manager to achieve targeted levels of funds from operations (including gains and losses) and to increase our stockholder value. Our board of directors may request that our manager accept all or a portion of its Incentive Compensation in shares of our Common Stock, and our manager may elect, in its discretion, to accept such payment in the form of shares, subject to limitations that may be imposed by the rules of the NYSE or otherwise.

As of April 1, 2010, our manager, through its affiliates and principals of Fortress, owned 3,838,359 shares of our Common Stock and owned options to purchase an additional 1,686,447 shares of our Common Stock, which were issued in connection with our equity offerings, representing approximately 8.6% of our Common Stock on a fully diluted basis.

Grants of Plan-Based Awards in 2009

No options or other plan-based awards were granted to an affiliate of our manager during 2009.

- (1) Pursuant to our Stock Incentive Plan, each non-employee director received an automatic annual award of our Common Stock effective on the first business day after our annual meeting of stockholders valued at \$15,000 based on the per share closing price of our Common Stock on the New York Stock Exchange on the date of such grant. In 2009, such directors accordingly received 18,519 shares of Common Stock.
- (2) Mr. Finnerty elected to receive compensation for his services as a director in the form of Common Stock in lieu of cash.

Potential Payments Upon Termination or Change-in-Control

According to the terms of our Stock Incentive Plan and related award agreements, options and tandem awards granted pursuant to the plan shall become immediately and fully vested and exercisable upon a change in control. However, no optionholder will be entitled to receive any payment or other items of value upon a change in control.

Newcastle Investment Corp. Nonqualified Stock Option and Incentive Award Plan

We have adopted the Newcastle Investment Corp. Nonqualified Stock Option and Incentive Award Plan, referred to herein as the Stock Incentive Plan, to provide incentives to attract and retain the highest qualified directors, officers, employees, advisors, consultants and other personnel. The Stock Incentive Plan is administered by our Compensation Committee. The maximum number of shares of our Common Stock reserved and available for issuance for our first fiscal year was 5,000,000 shares. For each year thereafter, the maximum number of shares available for issuance under the Stock Incentive Plan is that number of shares equal to 15% of the number of our outstanding equity interests, but in no event more than 10,000,000 shares in the aggregate over the term of the plan. No stock option may be granted to our manager (or its designee) in connection with any issuance by us of equity securities in excess of ten percent (10%) of the number of equity securities then being issued. The Stock Incentive Plan permits the granting of options to purchase Common Stock that do not qualify as incentive stock options under section 422 of the Internal Revenue Code.

As the administrator of the Stock Incentive Plan, the Compensation Committee has the authority to establish terms and procedures related to all option grants made under the plan. For example, the exercise price of each option is determined in accordance with procedures approved by the Compensation Committee and may be less than 100% of the fair market value of our Common Stock subject to such option on the date of grant. Under the current policy approved by the Compensation Committee, we grant our manager, through affiliates, options only in connection with our equity offerings. In the event that we offer common stock to the public, we simultaneously grant to our manager or an affiliate of our manager a number of options equal to 10% of the aggregate number of shares being offering in such offering at an exercise price per share equal to the public offering price per share; provided that if there is no fixed public offering price, we will grant such options at an exercise price per share equal to the price per share that we sold the Common Stock to the underwriters in such offering. In each case, the options are exercisable as to 1/30 of the shares subject to the option on the first day of each of the 30 calendar months following the first month after the date of the grant.

As a general matter, the Stock Incentive Plan provides that the Compensation Committee has the power to determine at what time or times each option may be exercised and, subject to the provisions of the Stock Incentive Plan, the period of time, if any, after retirement, death, disability or termination of employment during which options may be exercised. Options may become vested and exercisable in installments, and the exercisability of options may be accelerated by the Compensation Committee. Upon exercise of options, the option exercise price must be paid in full either in cash or by certified or bank check or other instrument acceptable to the Compensation Committee or, if the Compensation Committee so permits, by delivery of shares of Common Stock already owned by the optionee or, to the extent permitted by applicable law, by delivery of a promissory note. The exercise price may also be delivered to us by a broker pursuant to irrevocable instructions to the broker from the optionee.

At the discretion of the Compensation Committee, options granted under the Stock Incentive Plan may include a “re-load” feature pursuant to which an optionee exercising an option by the delivery of shares of Common Stock would automatically be granted an additional stock option (with an exercise price equal to the fair market value of the Common Stock on the date the additional stock option is granted) to purchase that number of shares of Common Stock equal to the number delivered to exercise the original stock option. The purpose of this feature is to enable participants to exercise options using previously owned shares of Common Stock while continuing to maintain their previous level of equity ownership in us.

The Compensation Committee may also grant stock appreciation rights, restricted stock, performance awards, tandem awards and other stock and non-stock-based awards under the Stock Incentive Plan. These awards will be subject to such conditions and restrictions as the Compensation Committee may determine, which may include the achievement of certain performance goals or continued employment with us through a specific period.

As of April 1, 2010, our manager, through an affiliate, had been granted options to purchase 3,523,727 shares, which were issued in connection with our equity offerings from 2002 through April 1, 2010. Portions of these options have been and may be assigned from time to time to employees of our manager or its affiliates. In addition, we may grant tandem options to our employees that correspond on a one-to-one basis with the options granted to our manager, such that exercise by an employee of the option would result in the corresponding option held by our manager being cancelled.

These manager options, which were granted to an affiliate of our manager in connection with the manager’s efforts related to our offerings, provide a means of performance-based compensation in order to provide an additional incentive for our manager to enhance the value of our Common Stock. We have no ownership interest in our manager. FOE I is the sole member of our manager. The beneficial owners of FOE I include Messrs. Wesley R. Edens, Peter L. Briger, Jr., Robert I. Kauffman, Randal A. Nardone and Michael E. Novogratz. As of April 1, 2010, Mr. Nardone was an executive officer of the Company.

The Stock Incentive Plan provides for automatic annual awards of shares of our Common Stock valued at \$15,000, based on the closing price of our shares on the NYSE on the date of grant, to our non-officer or non-employee directors. In addition, each new independent member of our board of directors is granted an initial one-time grant of an option for 2,000 shares with an exercise price equal to fair market value on the date of grant.

Risk Management

Regarding risk management, we note that our officers receive compensation from our manager based on their services both to us and to other entities, making their compensation unlikely to directly promote unreasonable risk-taking in the management of our business. Additionally, we grant options to our manager, through affiliates, only in connection with our equity offerings to align our manager’s interest with the interests of our stockholders while avoiding an emphasis purely on equity compensation. Based on the assessment of these factors, we concluded that we have a balanced compensation program that does not promote excessive risk taking.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires directors, executive officers and persons beneficially owning more than ten percent of a registered class of a company's equity securities to file reports of ownership and changes in ownership on Forms 3, 4, and 5 with the SEC and the NYSE.

To our knowledge, based solely on review of the copies of such reports furnished to us during the year ended December 31, 2009, all reports required to be filed by our directors, executive officers and greater-than-ten-percent owners were in compliance with the Section 16(a) filing requirements, except for late reports on Form 4 relating to one distribution of stock to Mr. Finnerty, Mr. Miller, Mr. McFarland and Mr. McKown to compensate each of them for their board service.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In November 2003, we and Drawbridge Special Opportunities Fund, a private investment fund managed by an affiliate of our manager co-invested and each indirectly own an approximately 38% interest in DBNC Peach Holding LLC, a limited liability company that acquired a pool of franchise loans from a third party financial institution. In December 2007, we closed on a sale of a pool of loans in the joint venture. Our investment in this entity, reflected as an investment in an unconsolidated subsidiary on our consolidated balance sheet, was approximately \$0.2 million at December 31, 2009. The remaining approximately 24% interest in the limited liability company is owned by the above referenced third party financial institution.

In April 2006, we securitized a portfolio of subprime residential mortgage loans, which we refer to as "Subprime Portfolio I" and, through the related securitization trust ("Securitization Trust 2006"), entered into a servicing agreement with Centex Home Equity Company, LLC, a subprime home equity mortgage lender (the "Subprime Servicer") to service this portfolio. In July 2006, private equity funds managed by an affiliate of our manager completed the acquisition of the Subprime Servicer. As compensation under the servicing agreement, the Subprime Servicer will receive, on a monthly basis, a net servicing fee equal to 0.50% per annum on the unpaid principal balance of the portfolio. In March 2007, we entered into a servicing agreement with the Subprime Servicer to service a second portfolio subprime residential mortgage loans ("Subprime Portfolio II") under substantially the same terms through another securitization trust ("Securitization Trust 2007"). The outstanding unpaid principal balances of Subprime Portfolios I and II were approximately \$587.4 million and \$785.0 million at December 31, 2009, respectively.

In September 2006, we were co-lenders with Drawbridge Special Opportunities Fund and Fortress Partner Fund two private investment funds managed by an affiliate of our manager, in a new real estate related loan. The loan is secured by a first mortgage interest on a parcel of land in Arizona. We own a 20% interest in the loan and the private investment funds own an 80% interest in the loan. Major decisions require the unanimous approval of the holders of interests in the loan, while other decisions require the approval of a majority of holders of interests in the loan. In October 2006, we and the private investment funds sold, on a pro-rata basis, a \$125.0 million senior participation interest in the loan to an unaffiliated third party, resulting in us owning a 20% interest in the junior participation interest in the loan. Our investment in this loan was written off as an impairment loss during the year ended December 31, 2008.

As of December 31, 2009, we held on our balance sheet total face amount investments of \$231.5 million in real estate securities and related loans issued by affiliates of our manager. We earned approximately \$15.1 million, \$20.4 million and \$20.1 million of interest on such investments for the years ended December 31, 2009, 2008 and 2007, respectively.

In each instance described above, affiliates of our manager have an investment in the applicable affiliated fund and receive from the fund, in addition to management fees, incentive compensation if the fund's aggregate investment returns exceed certain thresholds.

We are party to a management agreement with an affiliate of Fortress Investment Group LLC, dated as of June 6, 2002, as amended on March 4, 2003, pursuant to which our manager provides for the day-to-day management of our operations. The management agreement requires our manager to manage our business affairs in conformity with the policies and the investment guidelines that are approved and monitored by our board of directors. Our Chairman also serves as an officer of our manager.

The officers and directors of the Company use an established process (as evidenced herein) to review, approve and ratify transactions with related parties. When considering potential transactions involving a related party that may require board approval, our officers notify our board of directors in writing of the proposed transaction, provide a brief background of the transaction and schedule a meeting with the full board of directors

to review the matter. At such meetings, our President, Chief Financial Officer and other members of management, as appropriate, provide information to the board of directors regarding the proposed transaction, after which the board of directors and management discuss the transaction and the implications of engaging a related party as opposed to an unrelated third party. If the board of directors (or specified directors as required by applicable legal requirements) determines that the transaction is in the best interests of the Company, it will vote to approve the Company's entering into the transaction with the applicable related party, which vote is evidenced by a written resolution of the board of directors.

FOE I is the sole member of FIG LLC, our manager. The beneficial owners of FOE I include Messrs. Wesley R. Edens, Peter L. Briger, Jr., Robert I. Kauffman, Randal A. Nardone and Michael E. Novogratz.

**PROPOSAL NO. 2

Ernst & Young LLP, independent registered public accountants, has served as the independent registered public accounting firm for us and our subsidiaries for the fiscal year ended December 31, 2009. The Audit Committee of the board of directors has appointed Ernst & Young LLP to be our independent registered public accounting firm for the fiscal year ending December 31, 2010, and has further directed that the selection of the independent registered public accounting firm be submitted for approval by the stockholders at the Annual Meeting.

Representatives of Ernst & Young LLP will be present in person at the Annual Meeting, will be given the opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions from stockholders.

Recommendation of the Board of Directors

The board of directors recommends a vote **FOR** the approval of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2010.

Principal Accountant Fees and Services

During the years ended 2009 and 2008, we engaged Ernst & Young LLP to provide us with audit and tax services. Services provided included the examination of annual financial statements, limited review of unaudited quarterly financial information, review and consultation regarding filings with the Securities and Exchange Commission and the Internal Revenue Service, assistance with management's evaluation of internal accounting controls, consultation on financial and tax accounting and reporting matters, and verification procedures as required by collateralized bond obligations. Fees for 2009 and 2008 were as follows:

<u>Year</u>	<u>Audit Fees</u>	<u>Audit-Related Fees</u>	<u>Tax-Related Fees</u>	<u>All Other Fees</u>
2009	\$1,529,300	—	\$ 66,000	—
2008	\$2,061,250	—	\$ 89,419	—

Audit Fees. Audit fees are fees billed for the consolidated financial statements, including the audit of internal control over financial reporting and the review of the Company's quarterly reports form 10-Q, as well as required audits of certain subsidiaries, consultation on audit related matters and required review of SEC filings.

Audit-Related Fees. Audit-related fees principally included attest services not required by statute or regulation.

Tax Fees. Tax fees for the years ended December 31, 2009 and 2008 related to tax planning and compliance and return preparation.

All Other Fees. None.

The Audit Committee has considered all services provided by the independent registered public accounting firm to us and concluded this involvement is compatible with maintaining the auditors' independence.

The Audit Committee is responsible for appointing the Company's independent registered public accounting firm and approving the terms of the independent registered public accounting firm's services. All engagements for services in 2009 were pre-approved by the Audit Committee. The Audit Committee has a policy requiring the pre-approval of all audit and permissible non-audit services to be provided by the independent registered public accounting firm.

This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Newcastle Investment Corp., 1345 Avenue of the Americas, 46th Floor, New York, New York 10105, Attention: Investor Relations.
